AM WRITING ON MY BEHALF AND EVERYONE ELSE THAT IS SENSITIVE TO ELECTRICITY. SPECIFICALLY IT IS KNOWN AS ELECTRO-MAGNETIC HYPERSENSITIVITY. IT IS VERY REAL AND A NUMBER OF OTHER COUNTRIES AROUND THE WORLD BELIEVE THIS AND ARE TRYING TO ADDRESS IT BETTER THAN WE ARE. BECAUSE OF THE BAD CHOICES WE MAKE HERE PEOPLE WILL CONTINUE TO HAVE SEVERE HEALTH ISSUES HAVING A VERY DIFFICULT TIME TRYING TO SURVIVE. MANY DO NOT EVEN REALIZE WHAT IS AFFECTING THEM. IT IS ONLY GOING TO GET MANY TIMES WORSE IN THE FUTURE. THAT IS WHY YOU SHOULD NOT LET APS INSTALL DIGITAL ELECTRICAL METERS. IT WILL NOT BE GOOD FOR THOUSANDS AND THOUSANDS OF PEOPLE THAT WILL DEFINITELY REACT AND HAVE HEALTH PROBLEMS FROM THESE METERS. THE ANALOG METERS SHOULD ALWAYS REMAIN AN OPTION FOR PEOPLE TO USE SINCE THEY WILL ALWAYS BE SAFER. DO THE RIGHT THING AND DO NOT JUST SIDE WITH THE POWERFUL AND WEALTHY ELECTRIC COMPANY. DO WHAT IS RIGHT AND SAFER FOR THE PUBLIC. THE SCIENCE HAS PROVEN HOW MUCH A SEVERE HEALTH PROBLEM THESE DIGITAL METERS AND MANY OTHER THINGS WE SHOULD BE DOING SOMETHING ABOUT IN A MUCH MORE CONCRETE MANNER IN THIS COUNTRY ALREADY. IT IS TRUTHFUL FACT!
